through Friday 12:30 pm**

WIC Training Center  
Olympia, Washington

Join us to learn about **essential WIC work** and processes. Participants will:

- Learn to assess household size and income.
- Focus on new and emerging policies and procedures, learn what is required and what is "best practice".
- Have hands-on opportunities to learn and practice:
  - Accurate weighing & measuring techniques
  - Nutrition & medical risk assessment
  - Dietary screening & counseling
  - Correct hemoglobin assessment procedures
- Learn the importance of the WIC food package, how to discuss WIC foods with clients and assign a food package.
- Incorporate client-centered approaches, focus on program integrity and utilize current technologies & tools for continued learning.

For clerks, certifiers and all other WIC staff interested in learning the essential WIC functions and procedures.

This session was previously known as Clerk/Certifier training.

**Join us** for an informative and interactive look at policies and procedures, nutrition service delivery and core WIC functions.
